### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

In claim 1, second to last line, the recitation "the said" has been corrected to --said--. Otherwise, the recitation "the said" would be indefinite as being redundant.

In claim 17, line 3, the recitation "any undesirable materials" has been corrected to --material-- to remove indefiniteness from the claim in the same manner as was done by Applicant in claim 11. Otherwise, claim 17 would be indefinite since "undesirable" is a relative term.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher J. Novosad whose telephone number is 571-272-6993. The examiner can normally be reached on Monday-Thursday 5:30am-4:00pm.
